## 2008-2009 CLASS OFFERINGS

*Eligibility for our early childhood programs and elementary school grades is based upon the age requirements established by the school district of Lawrence Township, therefore, our school will place students in program/classes based upon their age as of September 1, 2008. Within the early childhood program, however, there are a few specialty classes designed for children that are older or younger than those in the primary programs. The eligibility age for these programs is specified next to the class listing. If no enrollment age is specified, the September 1<sup>st</sup> age requirement applies.*
